DEDICATION

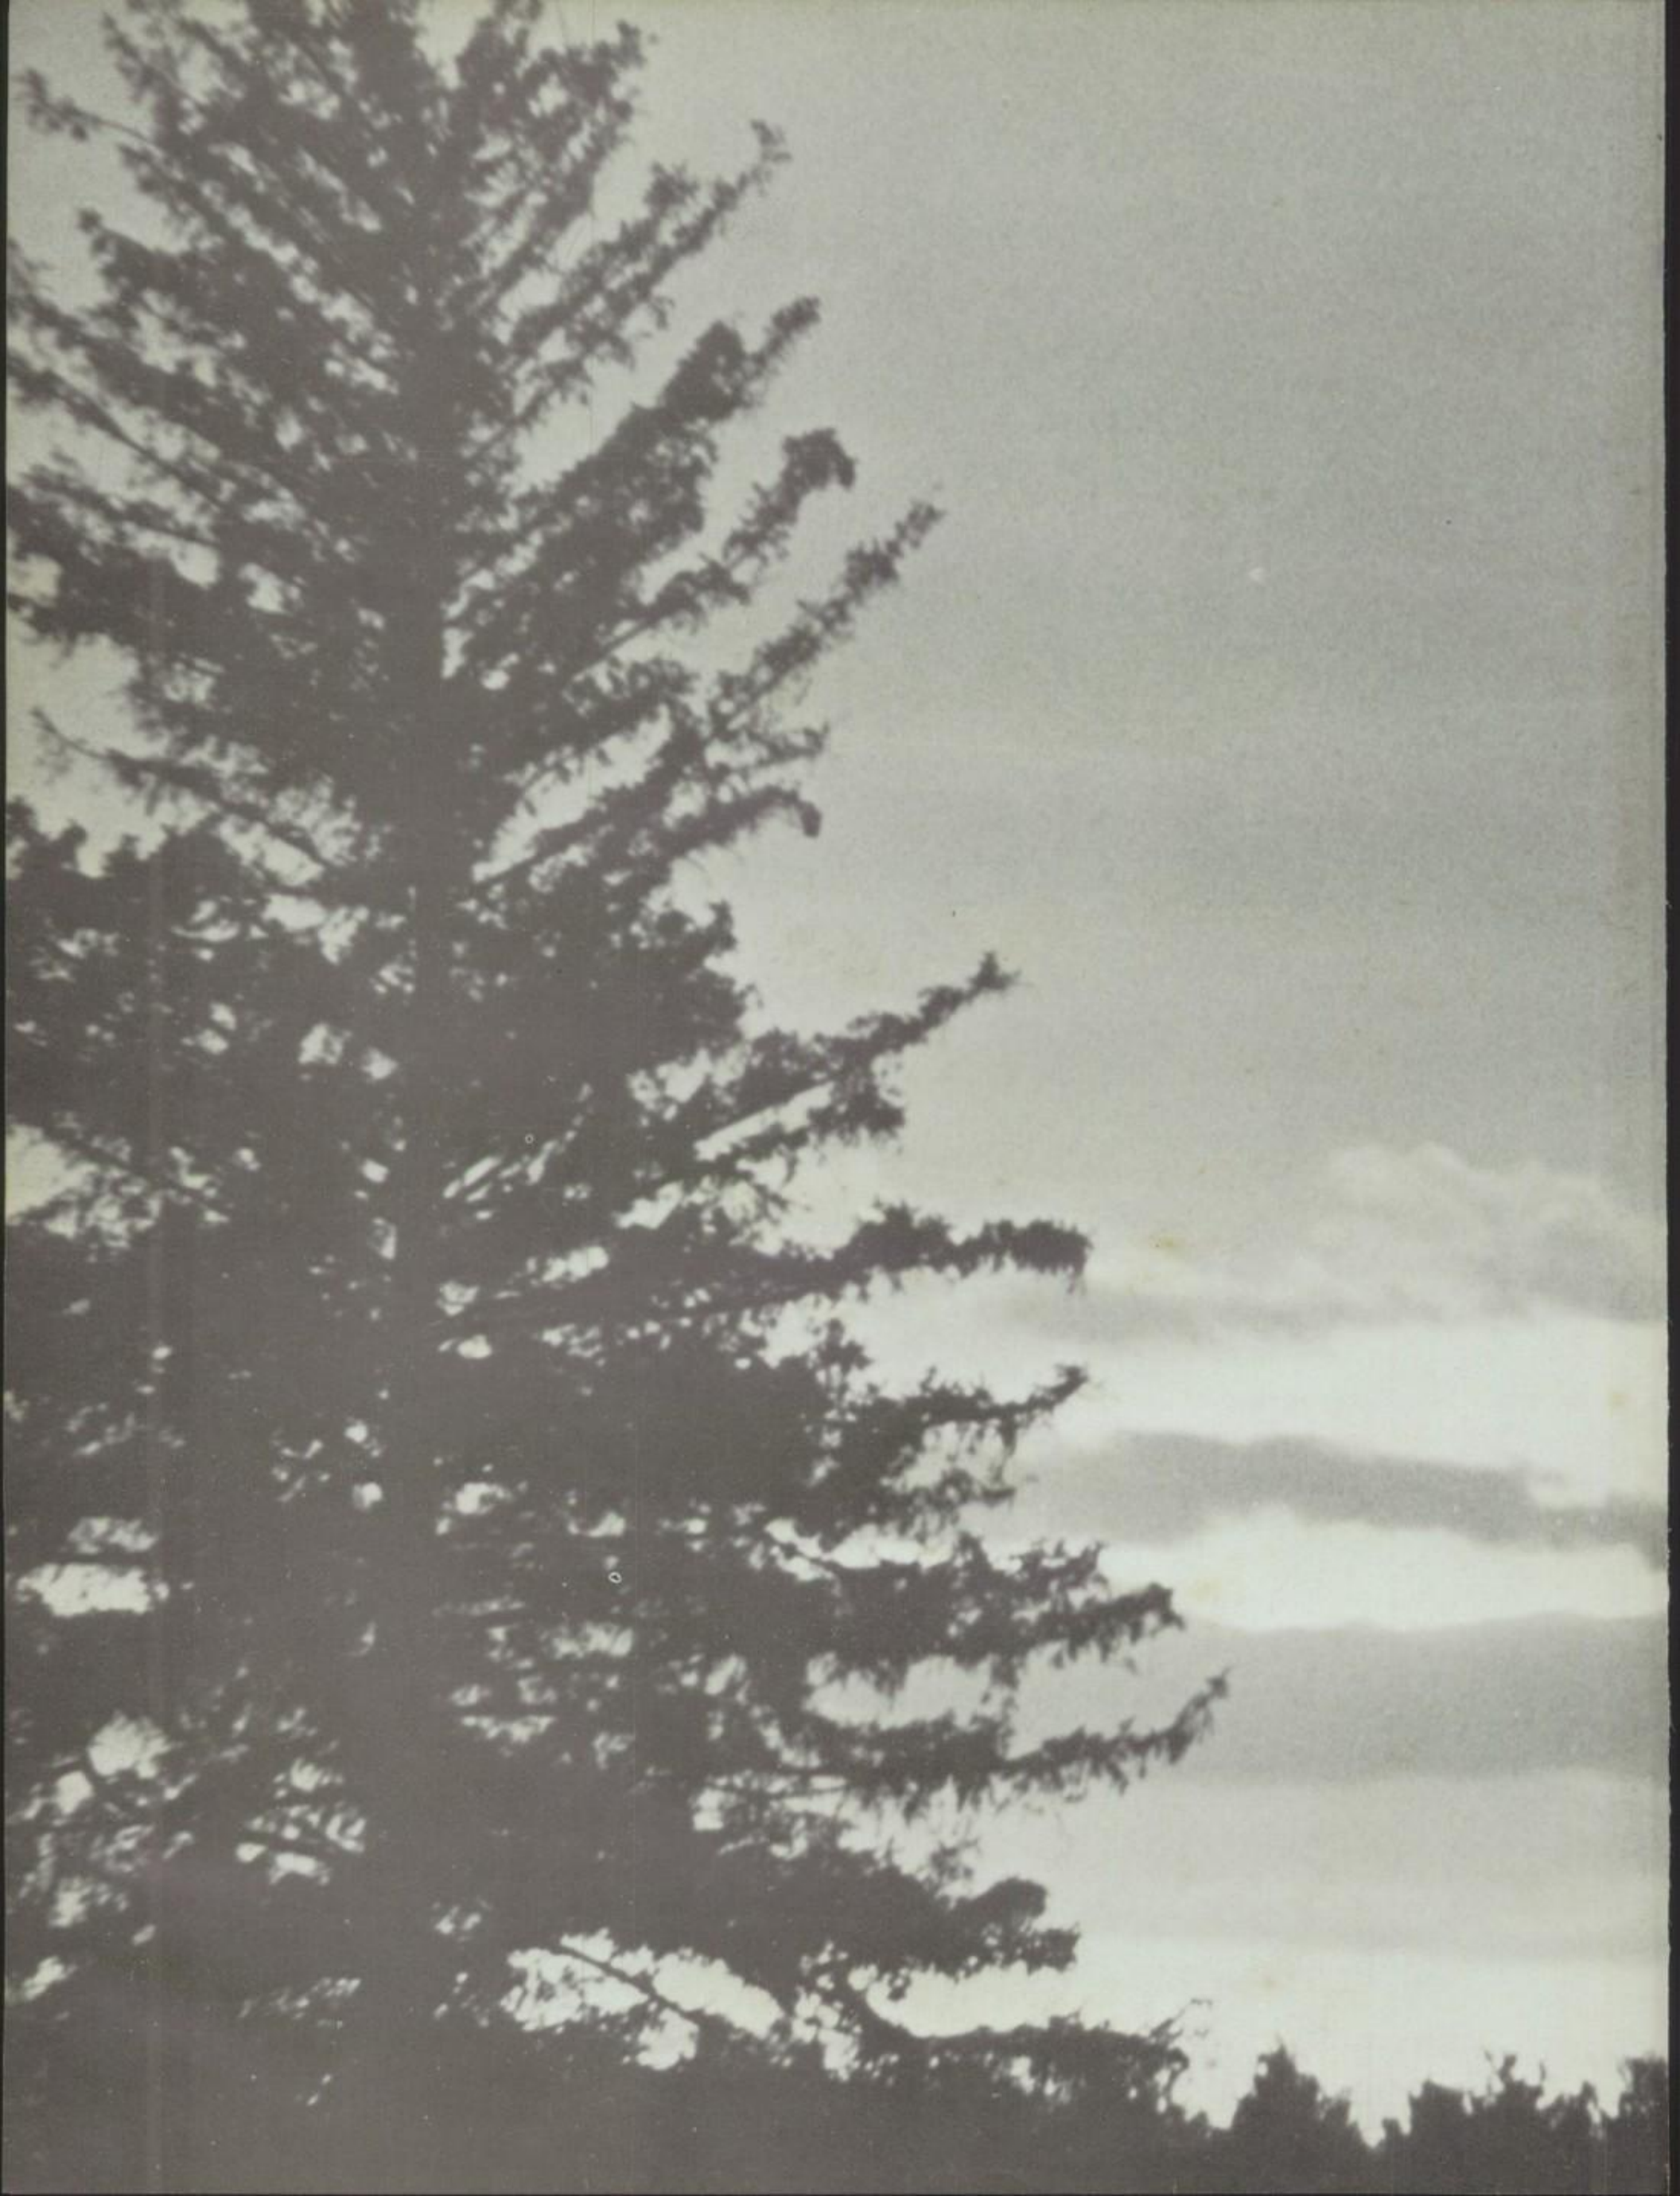

We, the Class of 1975, dedicate our yearbook to Mrs. Betty Stone, a warm, sensitive person who has been an invaluable asset to both the Guidance Department and the whole school for many years.

Her kindness to all students who enter Guidance seeking assistance is far beyond the call of her duties as secretary. Her helping hand to both teachers and administrators is priceless. The tone of the Guidance office is set by her initial reception of students, teachers, and parents.

We admire her unceasing dedication and we feel grateful to have had this caring, sensitive, "unofficial counselor" as one of our friends and helpmates at Timberlane.

Thank you, Mrs. Stone.

It was the best of times, it was the worst of times.
it was the age of wisdom, it was the age of foolishness.
it was the epoch of belief, it was the epoch of incredulity,
it was the season of Light, it was the season of Darkness,
it was the spring of hope, it was the winter of despair,
we had everything before us, we had nothing before us,
we were all going direct to heaven,
we were all going direct the other way —
in short, the period was so far like the present period,
that some of its noisiest authorities insisted on its
being received for good or for evil in the superlative
degree of comparison only.

Wally,
we've really had alot
of good times, they're ones
that I'll always remember I'm
really glad that we became good
friends this year. Good luck in
everything you do.
Love Always,
Debbie

Wally,
you're a really
nice person & I'm
gonna miss you.
Good luck in the
future.
Love
Judy

*Best of Luck, Wally
 also been a pleasure
 having you with us.
 Mr. Burke*

"May I be the first to congratulate the Class of 1975 upon their graduation which represents twelve years of hard work and many individual accomplishments. When you look back, you will discover that one-half of your education to this point has taken place within the confines of Timberlane Regional High School. I would hope that most of your memories of this school are positive and that much of Timberlane's success has been a result of your efforts.

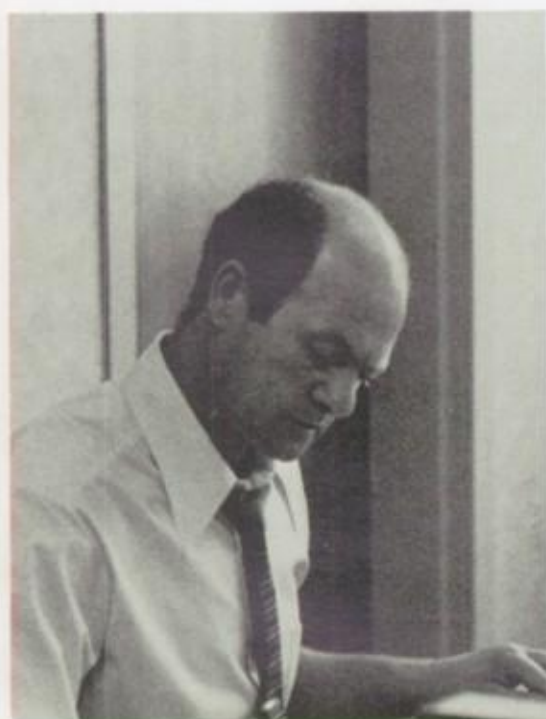

As you leave Timberlane and embark into the future, I ask that you remember those of us who have been of some help to you and may I personally say that it has been a pleasure having you as a member of the student body. May God be with you in all future endeavors."

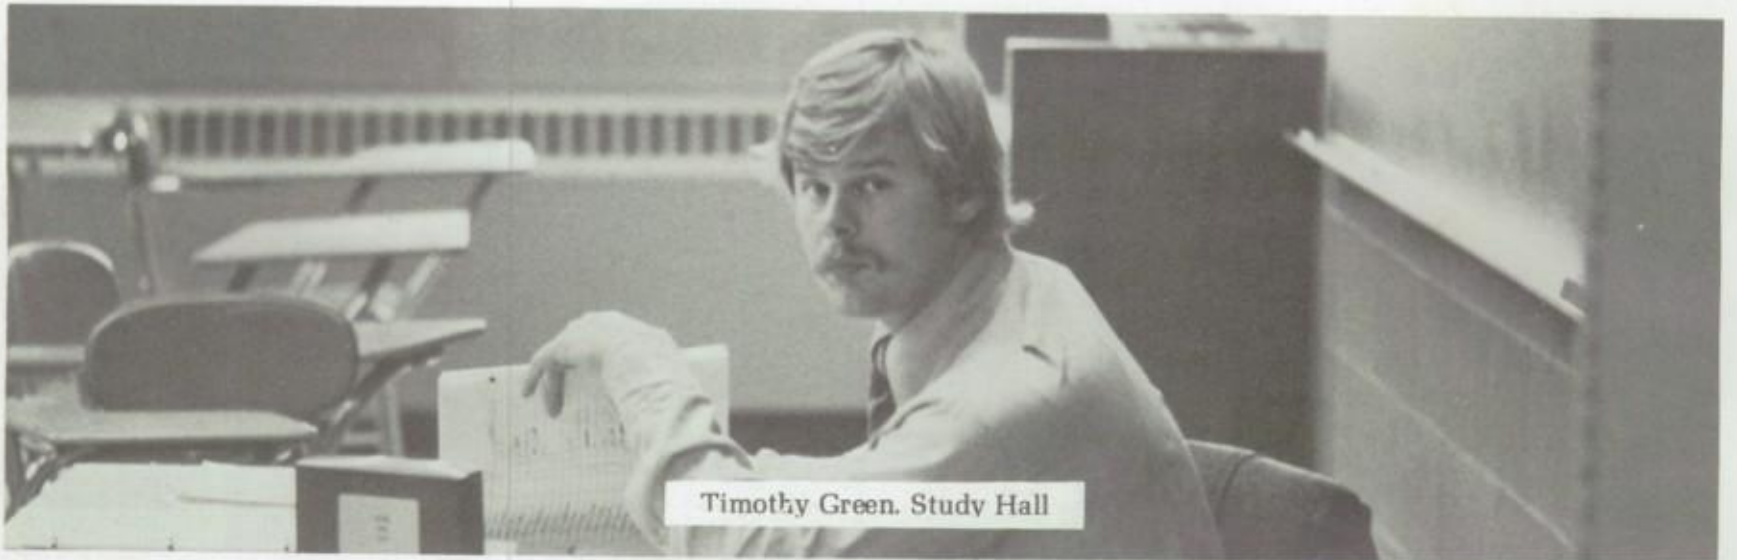

Robert Burke, Principal

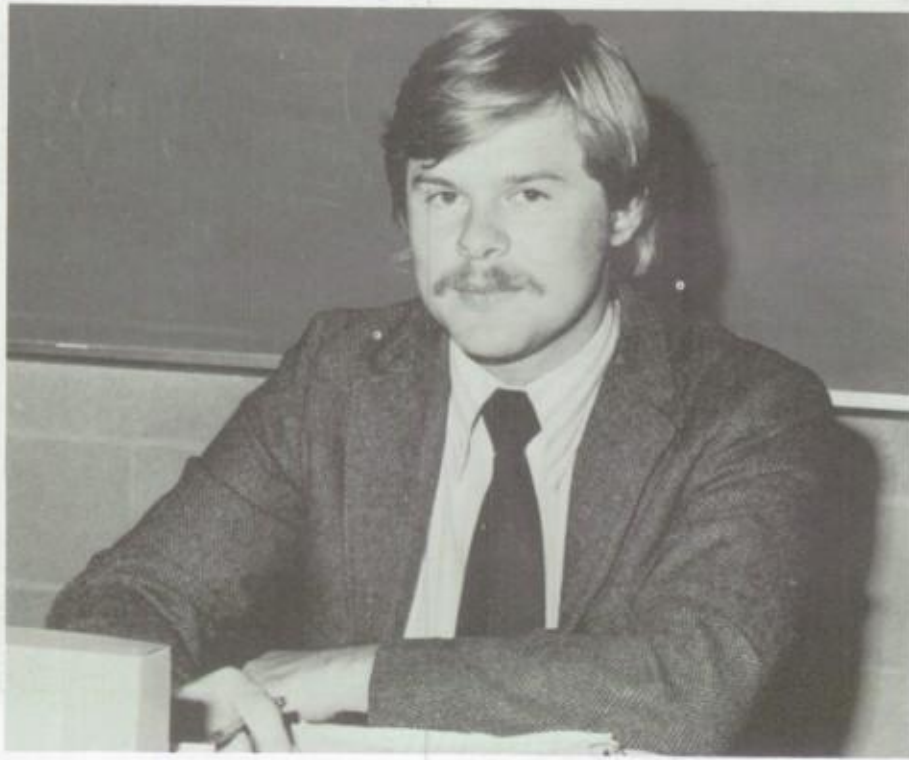

"My wish for you, as a member of the class of 1975, is quite simple; it is shared by every teacher you have ever had; Please become all that you are capable of being ..."

Use your college
when you go to college
But remember Wall
you can still love a ball

Gimme a beer.

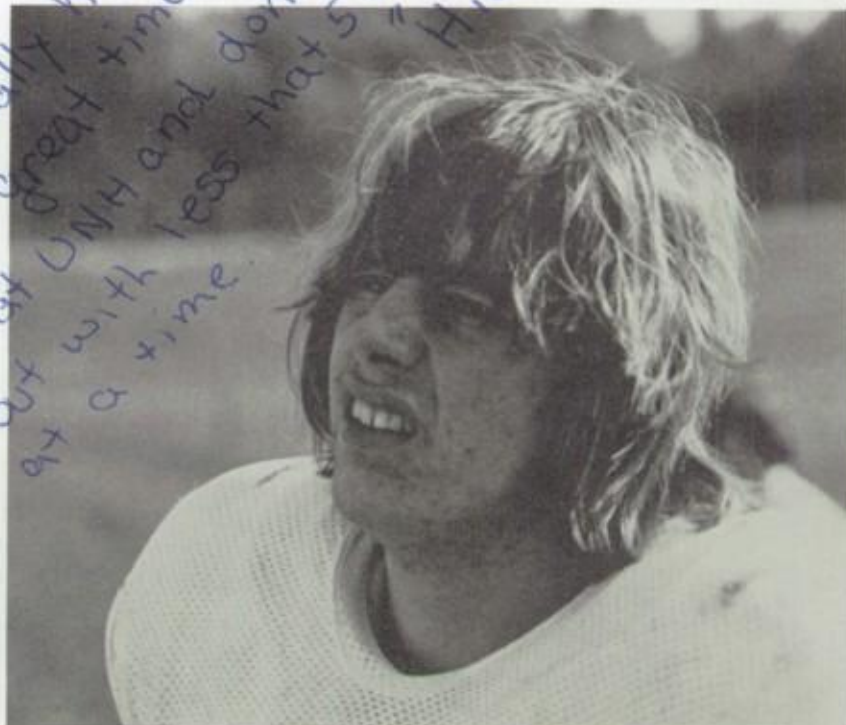

May I have this dance?

We'll show you who's boss.

Gee, I wish I could play.

My girdle is killing me.

"Oh, yucca!"

I use Johnson's No More Tangles.

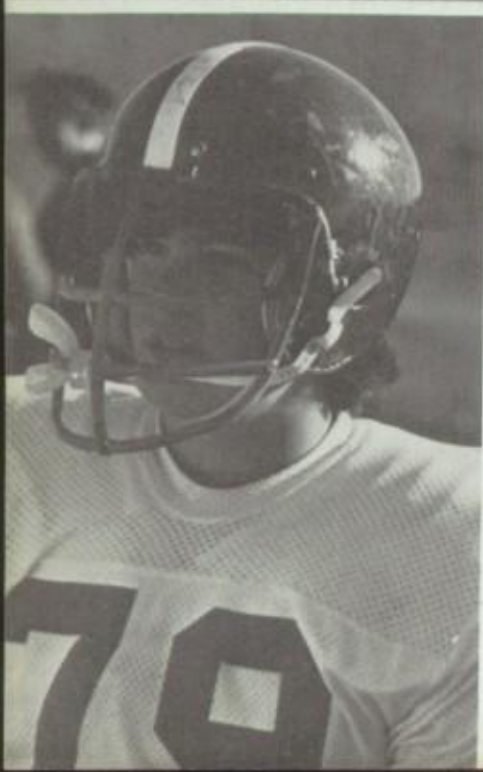

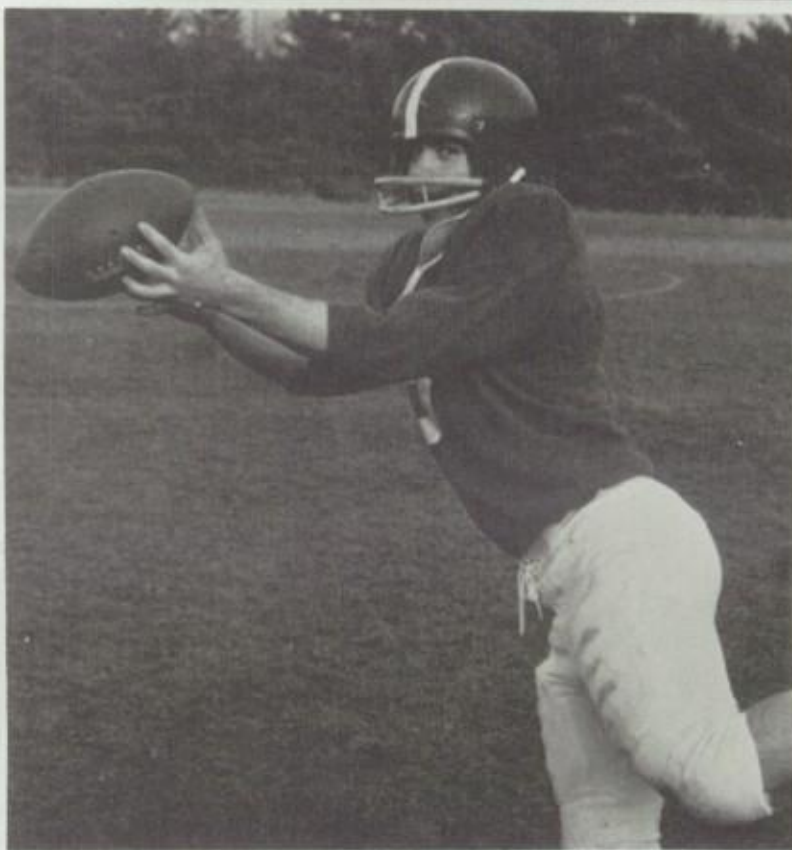

Hey, don't get pushy.

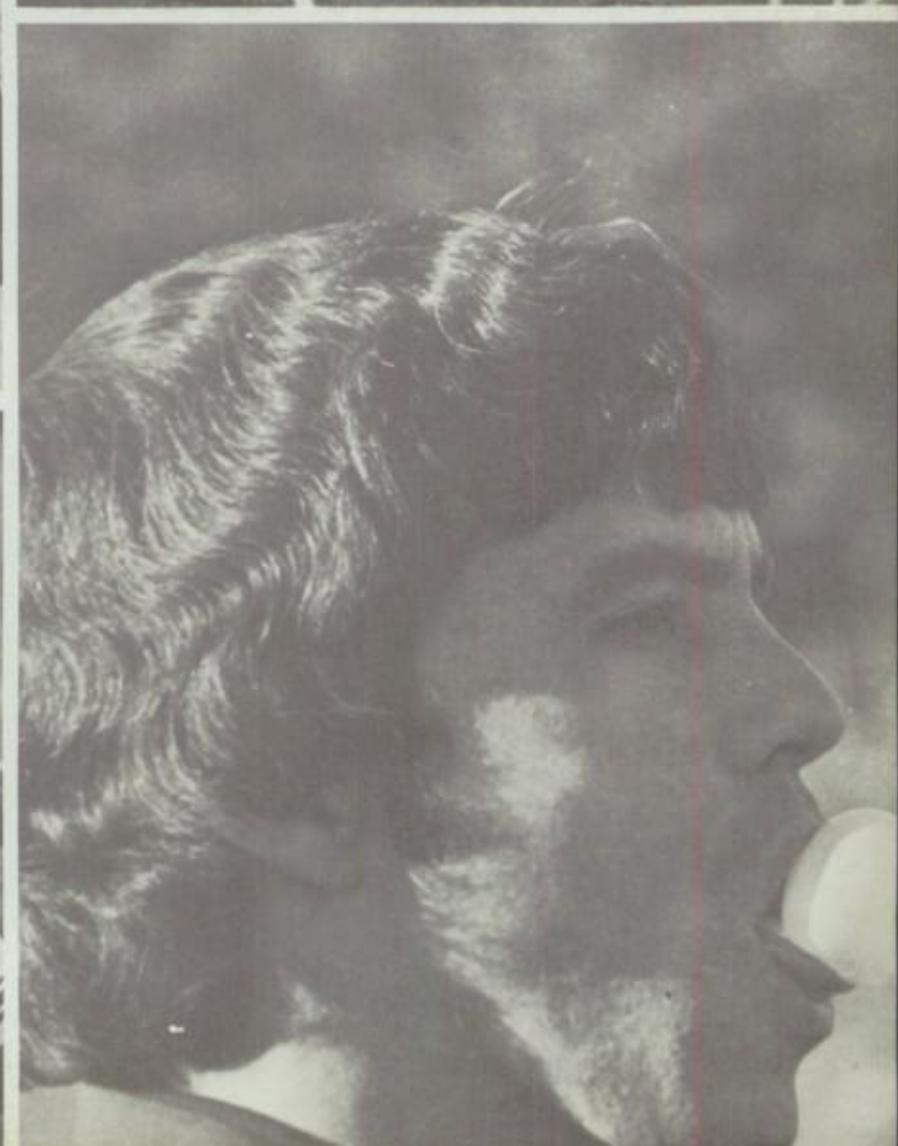

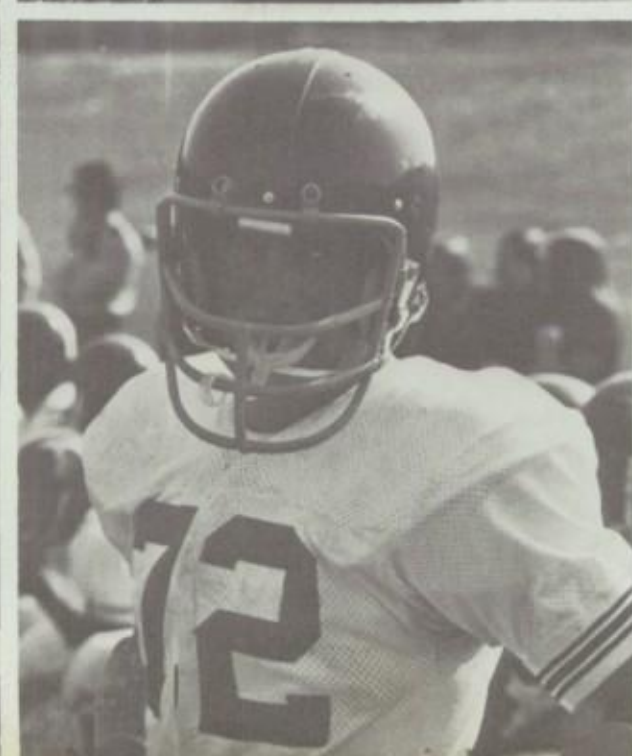

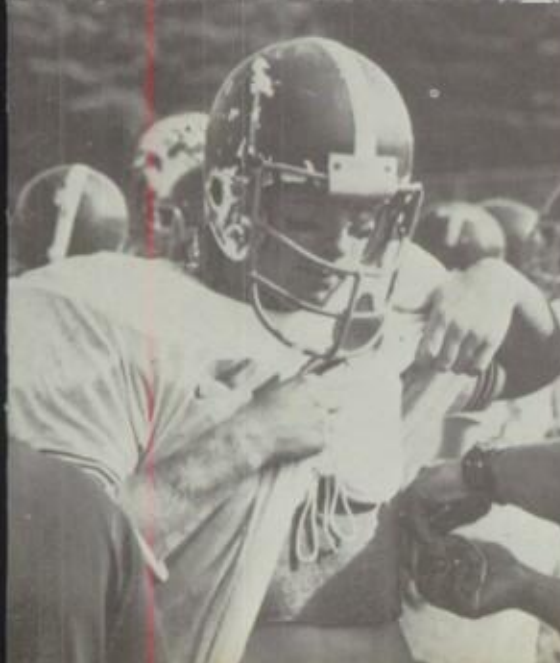

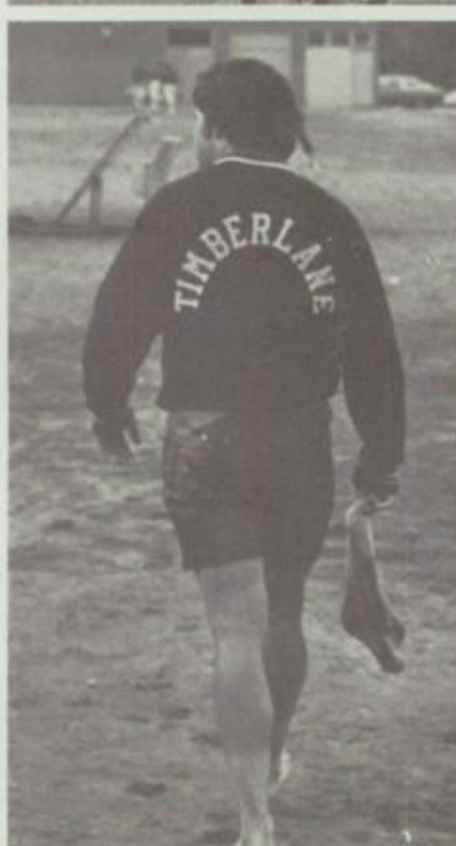

I love me, who do you love?

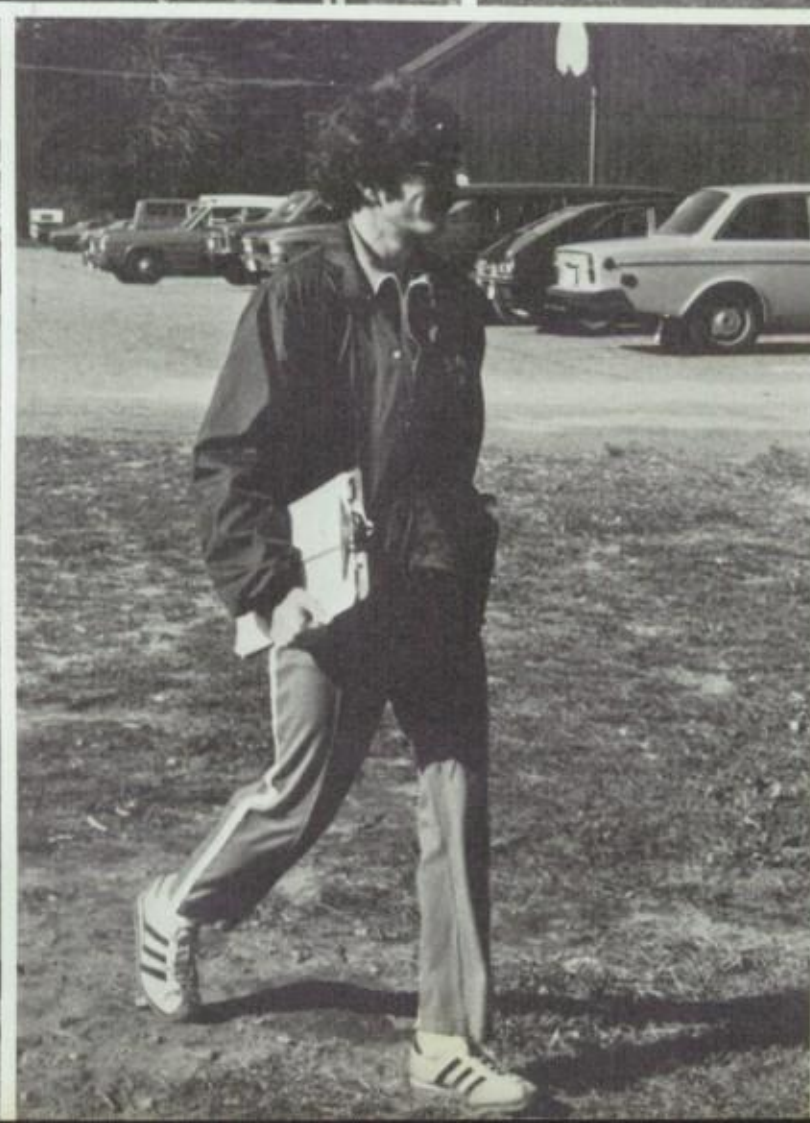

Somehow, I feel left out.

Foul Shot

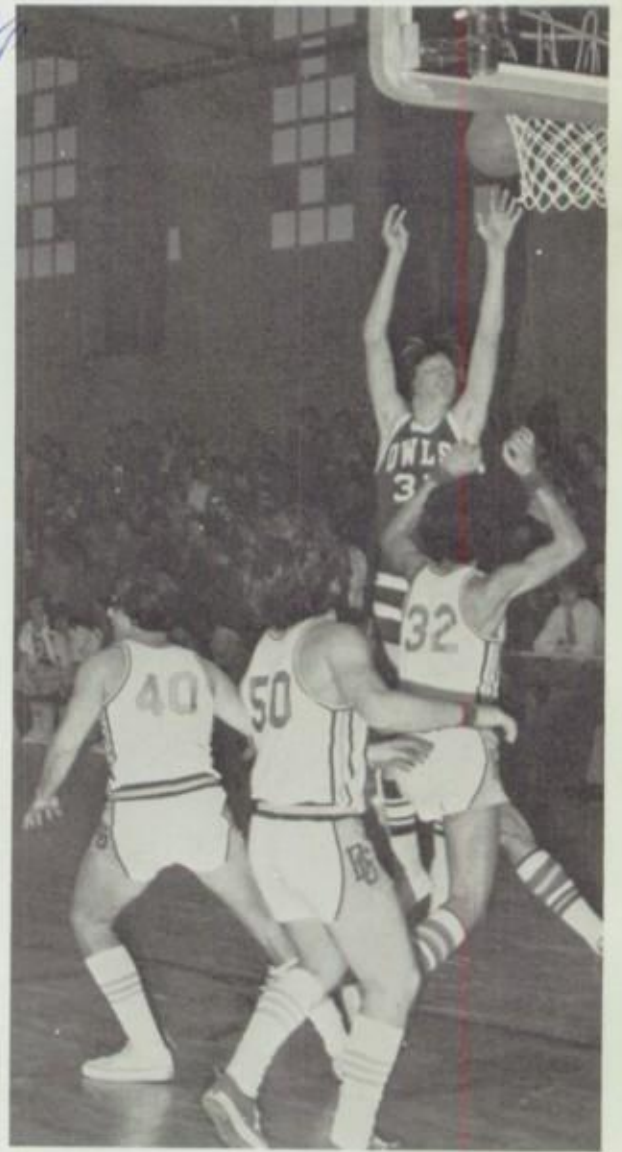

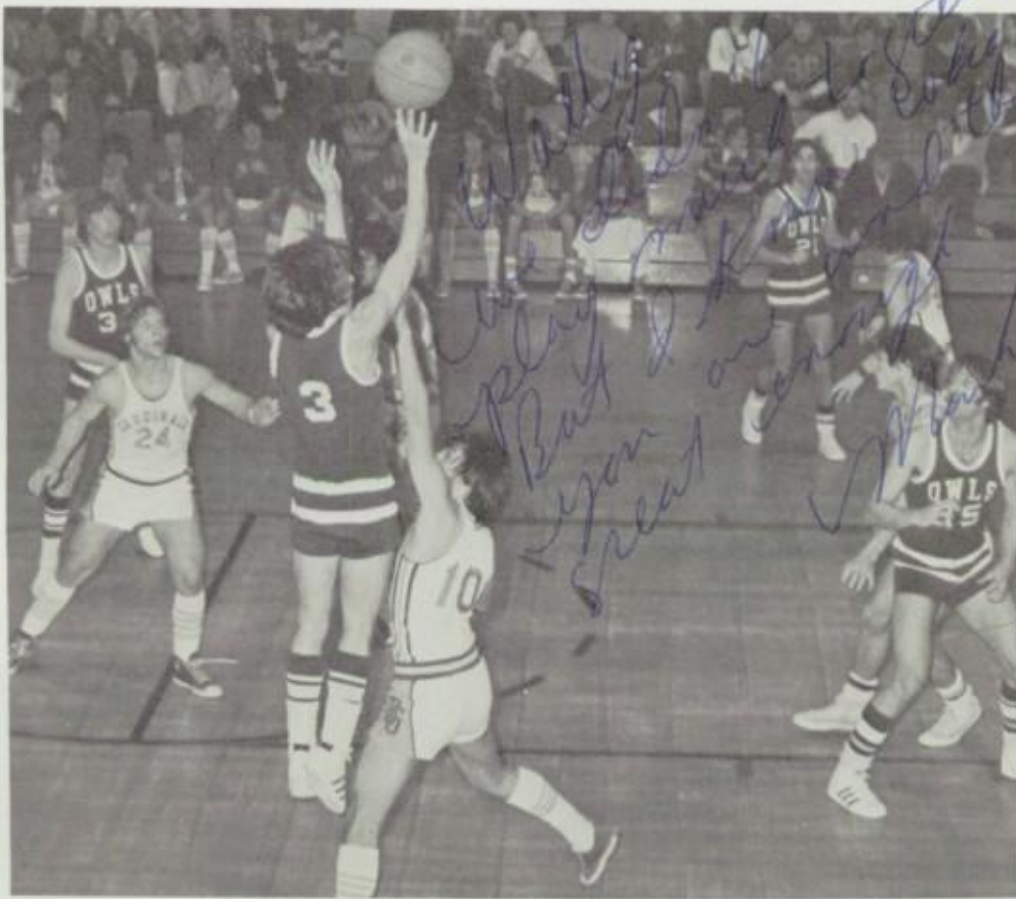

With two 60's stuck on the scoreboard
And two seconds hanging on the clock,
The solemn boy in the center of eyes,
Squeezed by silence,
Seeks out the line with his feet,
Soothes his hands along his uniform,
Gently drums the ball against the floor,
Then measures the waiting net,
Raises the ball on his right hand,
Balances it with his left,
Calms it with fingertips,
Breaths,
Crouches,
Waits,
And then through a stretching of stillness,
Nudges it upward.

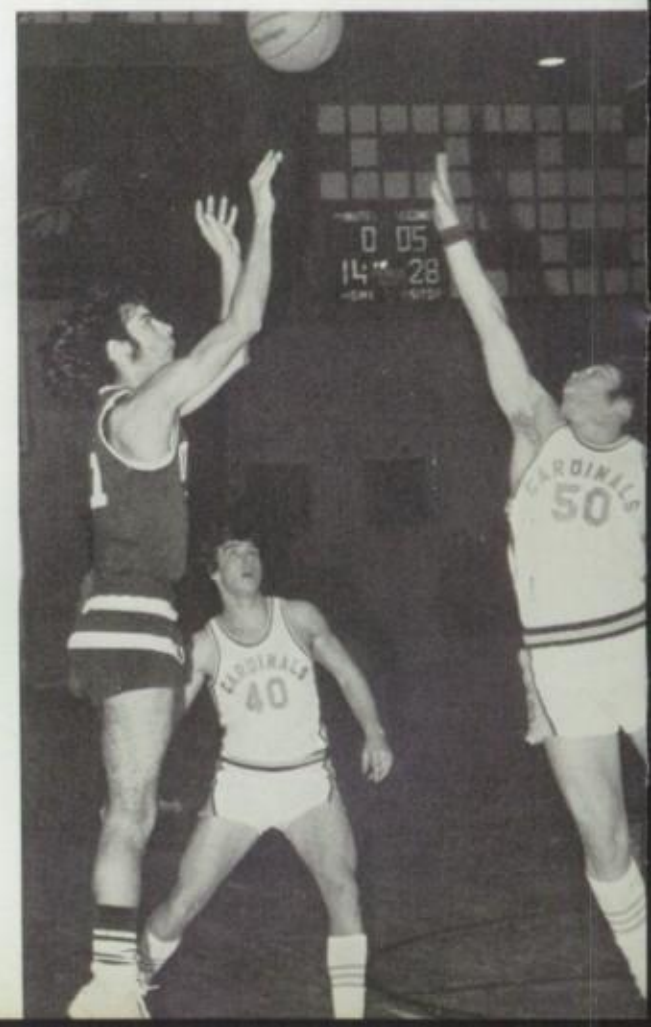

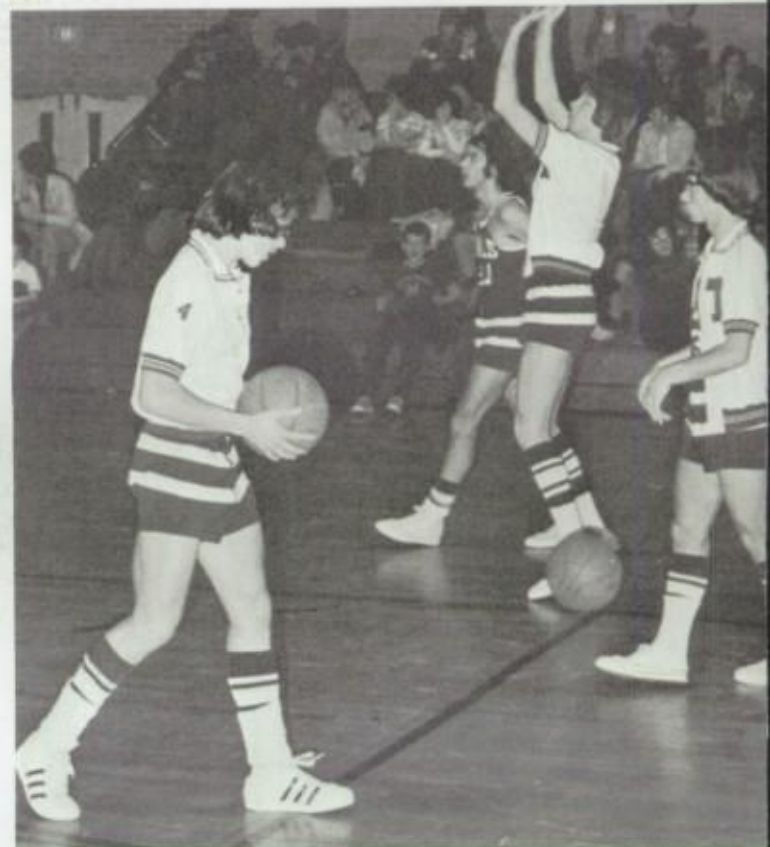

The ball
Slides up and out,
Lands,
Leans,
Wobbles,
Wavers,
Hesitates,
Exasperates,
Plays it coy
Until every face begs with unsounding screams —
And then
And then
And then,
Right before ROAR-UP,
Dives down and through.

From page to page, we have displayed pictures of students and faculty members participating in the various scholastic activities and events which make up Timberlane.

Now we, the yearbook staff, would like to single out one particular individual who has put forth their best and has gone beyond in the completion of the 1975 'Modulus' yearbook.

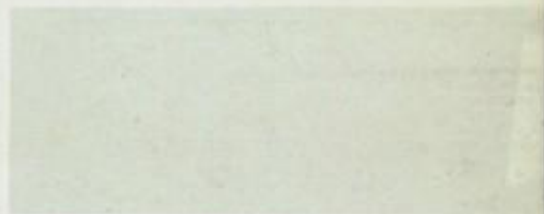

SANDRA M. BEATTIE

Throughout the year, you have helped individual students with problems involving school work as well as their personal problems. As many of our faculty members, you have bestowed upon us your abundance of knowledge and guidance.

You have helped support this graduating class in fund raising, in that you were the winner of the 'Good Humor' contest. As the winner you were greeted with a pie in your face. By no means was this a sign of disrespect, but rather, a display of teachers and students uniting for the support of their school. You are to be commended for the fine sense of humor you displayed throughout the whole ordeal.

So, we, the yearbook staff, would like to express our sincere thanks and with much gratitude salute you, Mrs. Beattie, for everything you have done for us.

Our friends float past; we become involved with them; they float on, and we must rely on heresay or lose track of them completely; they float back again, and we must either renew our friendship - catch up to date - or find that they and we don't comprehend each other any more.

Wally,
 To a sexy guy

 get back together we
 time together we
